Let Power Credit Union be your partner in helping your employees get more results from their money. Enhance your benefits package by adding credit union membership — your employees will *thank you*.

Federally insured by NCUA

Power Credit Union Membership, an added “benefit”

Let Power Credit Union be your partner in helping your employees add more POWER to their finances. Offering credit union membership will be as effortless for you as it will be practical for your employees.

What is a Select Employee Group?

A Select Employee Group is a business or organization that establishes a relationship with Power Credit Union to provide financial services (and financial education) to its employees as an added benefit.

Select Employee Group Program Highlights

As a Select Employee Group of Power Credit Union, we will develop a customized partnership to provide valuable membership benefits and financial education to your employees.

- Free to participate
- Free on-site visits
- Free educational seminars
- No set up fees
- No annual membership fees
- No administrative fees

How Will Your Company Benefit?

Once your business teams up with Power Credit Union, we'll provide your business the following resources to maximize the success of our partnership.

- Provide membership materials to educate employees about the benefits offered by PCU
- PCU staff presentations to new employees
- On-site sessions to allow PCU staff to answer questions, open new accounts or make changes to existing accounts, take loan applications, and review services to make sure your employees are making the most of their membership at Power Credit Union

How Will Your Employees Benefit?

- Membership is open to the families of employees
- Ownership in the credit union. As a not-for-profit financial cooperative, profits are returned in the form of lower fees, lower loan rates and higher yields on savings
- 28,000 free CO-OP Network ATMs nationwide – 24 hour access to funds when using any ATM displaying the CO-OP Network logo.
- Free E-Teller, E-Statements and Bill Pay
- Free Power Connection, 24-hour telephone teller

How Do You Begin Offering Your Employees Power Credit Union Membership?

Offering PCU membership is one of the easiest employee benefits to implement and maintain. Follow these simple steps to get your company started today.

- Contact Power Credit Union Marketing Department
- Fill out the Small Group Affidavit
- Schedule an on-site visit
